How to Avoid the Summer Slide! Summer is right around the corner! We all LOVE our summer vacation, but not the “Summer Slide!” According to Oxford Learning, check out these summer statistics: You could throw a dart at a map or scour the web for suggestions. Or, just answer a few questions and we will create a list of destinations for you. The weather’s hot, the sun is out, and the flowers are blooming - isn’t summer a wonderful season? Your students are probably just as excited about it as you are - and some of them are probably reluctant to sit attentively in a classroom when they’d rather be kicking back with a cold drink. Wordle is a toy for generating “word clouds” from text that you provide. The clouds give greater prominence to words that appear more frequently in the source text.
