

# Download A New Economic History Of Argentina

By the end of the century, the former bread basket of the world had become a basket case. A New Economic History of Argentina provides the definitive explanation of how this came about. This outstanding collection of essays assembled by della Paolera and Taylor signals a major advance in research on the Argentine Paradox." Colin M. Lewis, Associate Professor of Latin American Economic History, London School of Economics & Political Science. Argentine economic history has long presented a puzzle: how could a country that was once one of the world's richest, now fare so poorly? What is the economic story behind such long-run divergence? A New Economic History of Argentina Edited by GERARDO DELLA PAOLERA American University of Paris and Fundacidn PENT ALAN M. TAYLOR University of California, Davis, NBER, and CEPR Argentine economic history has long presented a puzzle: how could a country that was once one of the world's richest, now fare so poorly? What is the economic story behind such long-run divergence?, A New Economic History Of Argentina.
