

Download Angel Dark, Angel Bright

Angel Dark (born 11 April 1982 in Sobrance) is a Slovak pornographic actress and nude model. She began her career in the adult film industry in 2002, and has since appeared in over 230 films. She was working as a bartender in restaurants and cafés. Are there places around your home you wish you had a light but don't? Introducing the latest lighting innovation, Atomic® Angel, the motion-activated, cordless LED light that sticks to just about anywhere, lighting up the path atomic bright for you, your family, and your friends. Angel and two identical bunnies. Angel shares some similarities with Habbit, who is a rabbit in the G1 My Little Pony series who belongs to Mr. Moochik. Both Angel and Habbit never speak but often take the responsibility of keeping their companion on track, to their occasional frustration. Lionel Johnson, exploring his poem 'The Dark Angel', the man and his possible link to 40K's Dark Angels...
