

Download Animal Factories Update

Intensive animal farming or industrial livestock production, also known as factory farming, is a production approach towards farm animals in order to maximize production output, while minimizing production costs. Intensive farming refers to animal husbandry, the keeping of livestock such as cattle, poultry, and fish at higher stocking densities than is usually the case with other forms of ...Animals Australia works to protect the most vulnerable and abused animals in our society. Join us to help end factory farming & protect ALL animals from cruelty. Intensive pig farming is a subset of pig farming and of Industrial animal agriculture, all of which are types of animal husbandry, in which livestock domestic pigs are raised up to slaughter weight. These operations are known as AFO or CAFO in the U.S. In this system of pig production, grower pigs are housed indoors in group-housing or straw-lined sheds, whilst pregnant sows are housed in ...Guide to Wisconsin Cheese factories and tours, including an interactive Wisconsin map showing the locations of all Wisconsin Cheese factories.
