

Download Celebrated Cases Of Charlie Chan

Prof. Charles Edward Eppes, Ph.D., is a fictional character and one of the protagonists of the CBS crime drama Numb3rs. He is portrayed by David Krumholtz. Dr. Charles Eppes is portrayed as a young mathematical genius and professor of applied mathematics at the fictional California Institute of Science, CalSci (primarily based on Caltech, where some filming and mathematics consulting is done). The Crime Fiction Index. The link on the left will take you to a separate website where Phil Stephensen-Payne has a detailed description of an extremely important project he is working on, the Crime Fiction Index, or CFI for short. A stunningly brilliant psychopathic killer who has skillfully eluded the police from London to Paris to New York... a beautiful journalist suddenly in grave danger... and an unorthodox New York detective whose motive for stopping the killer couldn't be more personal. Reference > Character Birth Dates & Ages Compiled by David. Here we endeavour to make a record of the various dates and episode numbers on which character's birthdays have been celebrated or said to occur.
