

Download Drafting Corporate Agreements 2000, Converting The Deal Into An Effective Contract, A Satellite Program

Janet Barnard is chief people officer for Cox Automotive, a subsidiary of Atlanta-based Cox Enterprises. She is responsible for developing the global organization's high-performance culture and talent management program to support its vision to transform the automotive industry. Tel: 212.500.0905 Fax: 203.461.9018
marjan@lawmaks.com Specialized in Immigration Law and also in obtaining OFAC License (for Iranian to bring money to United States from Iran, they need this special license from Treasury Department, and we specialize in obtaining this license.) Our client, a leading Private Equity group exclusively focused on acquiring and investing in manufacturing, food and agriculture, and business service companies, has retained Kincannon and Reed to recruit a CEO for an iconic company in the dairy industry. Court has been directly associated with contract management, as a project director for large Federal Government programs, and as a consultant and instructor, for over 30 years. Court provides training on the best practices of business and management processes associated with all of the phases of procurement management.
