

# Download English Utilitarians

Utilitarianism is an ethical and philosophical theory that states that the best action is the one that maximizes utility, which is usually defined as that which produces the greatest well-being of the greatest number of people, and in some cases, sentient animals. Jeremy Bentham, the founder of utilitarianism, described utility as the sum of all pleasure that results from an action, minus the ...Recent Examples on the Web: Noun.

Consequentialists—including utilitarians, the most famous kind—are concerned with the outcomes and consequences of actions first and foremost. — Ian Bogost, *The Atlantic*, "Enough With the Trolley Problem," 30 Mar. 2018 Besides, as long as these readers really are utilitarians and not Kantians, there's nothing to stop them from quietly resubscribing in ...Recent Examples on the Web. In formal philosophy it is represented by the utilitarianism. — Jeffrey Collins, *WSJ*, "'Power, Pleasure, and Profit' Review: Self-Mastery Versus Self-Interest," 5 Oct. 2018 Conversations with MacAskill often turn to radical utilitarianism and audacious plans to save the world. — Derek Thompson, *The Atlantic*, "Is Colonizing Mars the Most Important Project in ...1. Precursors to the Classical Approach. Though the first systematic account of utilitarianism was developed by Jeremy Bentham (1748–1832), the core insight motivating the theory occurred much earlier.
