

# Download Environmental Science Foundations And Application

This course provides an introduction to the scientific aspects of the environmental field. The first part of the course introduces students to the foundations of environmental science, while the second part concentrates on the application of these foundations to real life environmental problems. [Link to Departments website](#). The major in Accounting at UGA is designed to give students an understanding of the theory of accounting as it is used in our society: accounting standards, financial statement preparation, product costs, budgeting, taxation, auditing, risk assessment, and controls. The FAU Max Planck Honors Program (MPHP) Eligible College of Science majors in Biology, Psychology, and Neuroscience and Behavior may apply to participate in this Jupiter-specific honors program for undergraduates. [frc environmental](#) continues to provide us with quality data which is presented in such a format that makes analysis very quick and convenient at our end., Environmental Science Foundations And Application.
