False Alarm: Why the Greatest Threat to Social Security and Medicare Is the Campaign to Save Them (Century Foundation Book) [Joseph White] on Amazon.com. \*FREE\* shipping on qualifying offers. With the aging of the U.S. population, there is much speculation about the future of the Social Security and Medicare programs. False alarm : why the greatest threat to Social Security and Medicare is the campaign to "save" them. Vocal segments of society are calling for radical reform of these programmes. In this book, Joseph White makes the case against radical reform, advocating incremental change instead. He discusses the rationale for "social insurance" programmes such as Social Security and Medicare and how that relates to fears of out-of-control "entitlements".
