

Download Getting Started With Microsoft Excel 3 For Windows

Find training courses for Excel. Thank you for your feedback! It sounds like it might be helpful to connect you to one of our Office support agents. @Dan Stevenson, I've tried going through teams.microsoft.com - I am the global admin and I've already enabled the Teams service for our tenant earlier this morning, once it appeared. I've been able to download the 64bit version of the desktop app (I'm running a surface book w/Windows 10 latest updates). Once downloaded I run the app and authorize it to execute. A pack of articles, information and interactive guidance to help you quickly become productive with Microsoft Project 2010. Included are articles and videos on new features, how-to articles for common basic tasks, training courses on how to most easily make the switch from previous versions, and interactive guides to quickly show you where to find the commands you need on the ribbon. Now that you know the basics of Power BI, let's jump into some hands-on experiences and a guided tour. Your video tour guide is Will Thompson, a Program Manager on the Power BI team at Microsoft. There are a few guest guides too, a little later on in the course.
