Conflict and Cooperation in International River Basins. By Arun P. Elhance. United States Institute of Peace Press, 1999. 309 pp. \$37.50.Hydropolitics in the Third World: Conflict and Cooperation in International River Basins. With more than 50 percent of the world s landmass covered by river basins shared by two or more states, competition over water resources has always had the potential to spark violence. And growing populations and accelerating demands for fresh water are putting...
