Chuck Entz 06:22, 9 September 2013 (UTC) I had looked at some of the Dictionary pages given as references. My interests and "expertise" are quite limited. I think I can modernize some of the taxonomic names from the 130-year-old ones that were the best he had to work with, but I have to always look at the dictionary page itself. Some of the species names I cannot find in any authoritative ...
