

Download Library Outreach, Partnerships, And Distance Education

Click on the community name below for information about course offerings at that outreach center. The library has a wealth of scholarly information and staff to help you with your research. Our resources include: Reference assistance from librarians and library staff Distance education or long-distance learning is the education of students who may not always be physically present at a school. Traditionally, this usually involved correspondence courses wherein the student corresponded with the school via post. Today it involves online education. Courses that are conducted (51 percent or more) are either hybrid, blended or 100% distance learning.
