

Download Making It In Management, The Japanese Way

As late as 1966, when I discussed this matter with officials, the Ministry of International Trade and Industry was adamantly opposed to any Japanese companies going “multinational” and making ...Encyclopedia of Business, 2nd ed. Japanese Management: Int-Loc. The Japanese have had phenomenal impact on world markets. Many industries, such as electronics, cameras, watches, motorcycles, machine tools, automotive products, shipbuilding, and even some aspects of aerospace are either dominated by Japanese firms or are heavily impacted by them. Consensus decision-making is a group decision-making process in which group members develop, and agree to support a decision in the best interest of the whole group or common goal. Consensus may be defined professionally as an acceptable resolution, one that can be supported, even if not the "favourite" of each individual. The culture of Japanese management so famous in the West is generally limited to Japan's large corporations. These flagships of the Japanese economy provide their workers with excellent salaries and working conditions and secure employment. These companies and their employees are the business elite ...
