And an expensive cast of “connection men.” That's what women at the shelter call the smugglers who passed them from one country to another, from hotels to safe houses, often with other migrants. "This has forced us to walk and cross through Veracruz, from Sayula to Tierra Blanca and from Tierra Blanca to Córdoba, it is an absolute irresponsibility of the government, that area that is "known the largest grave in the country" , where hundreds of people have disappeared for the crime. As early as the 16th century, many prominent people correctly believed that the North Pole was in a sea, which in the 19th century was called the Polynya or Open Polar Sea. It was therefore hoped that passage could be found through ice floes at favorable times of the year. The escape network was not literally underground nor a railroad. It was figuratively "underground" in the sense of being an underground resistance. It was known as a "railroad" by way of the use of rail terminology in the code. The Underground Railroad consisted of meeting points, secret routes, transportation, and safe houses, and personal assistance provided by abolitionist sympathizers.
