Many young learners encounter obstacles with the reading process and, for some, it is a pervasive problem. New estimates report that as many as 1 in 10 children have reading disabilities, such as dyslexia, that impact academics in the areas of word decoding, reading comprehension, reading fluency, word retrieval, reading speed, and tracking. I really wanted my students to understand that the problem and solution must fit together like a puzzle. We emphasized that all week long because it not only helped them understand the problems and solutions in the stories we read, but also because it will help improve their writing skills. Use this resource with your students to practice fundamental reading comprehension skills. After they read a fiction text, students will identify the problem, attempt to solve the problem, and determine the solution in the story. Problem and Solution is a pattern of organization where information in a passage is expressed as a dilemma or concerning issue (a problem) and something that was, can be, or should be done to remedy this issue (solution or attempted solution)., Reading Skills Problem And Solution.
